Av. Los Indianos , 14, 2º B. C.P. 38700. Santa Cruz de La Palma

A woman with long red hair, wearing a white dress and a straw hat, stands in a vast field of purple flowers. She is looking towards the right. In the background, there are green mountains under a blue sky with some clouds. The scene is bathed in the warm light of sunset or sunrise.

**LOCATIONS
SUMMARY**

LA PALMA

CANARY ISLANDS

A natural setting with large mountains, valleys, rain forests, volcanic landscapes, coastlines, unique beaches and countless extraordinary places with a high aesthetic value for audiovisual productions.

This great variety and richness of extraordinary locations in a relatively small space makes La Palma the perfect place to shoot any commercial for your different advertising campaigns.

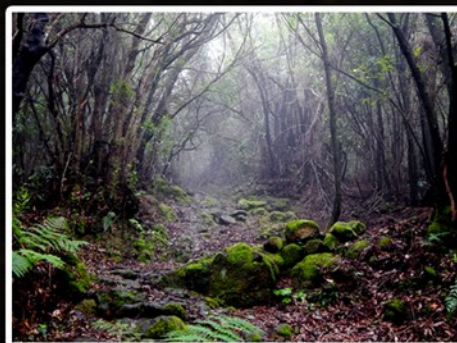

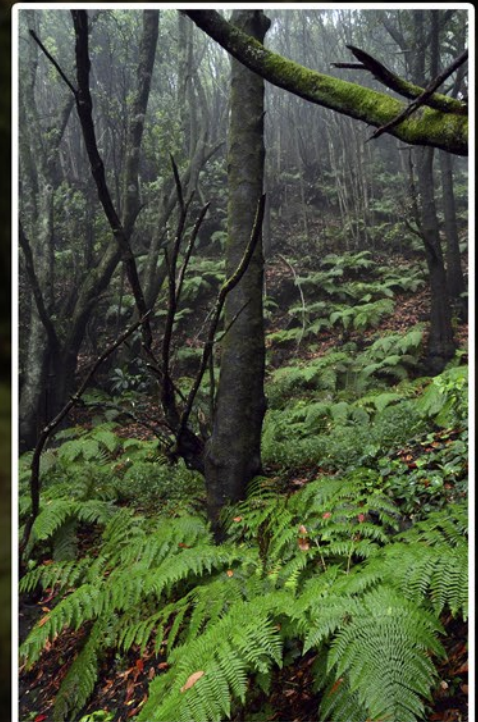

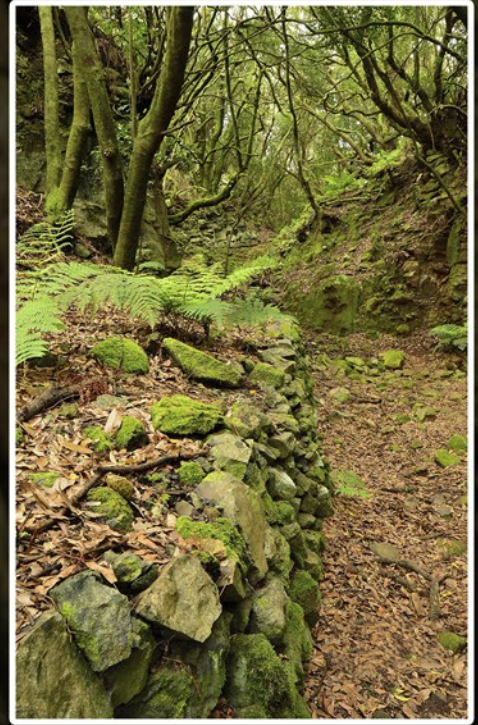

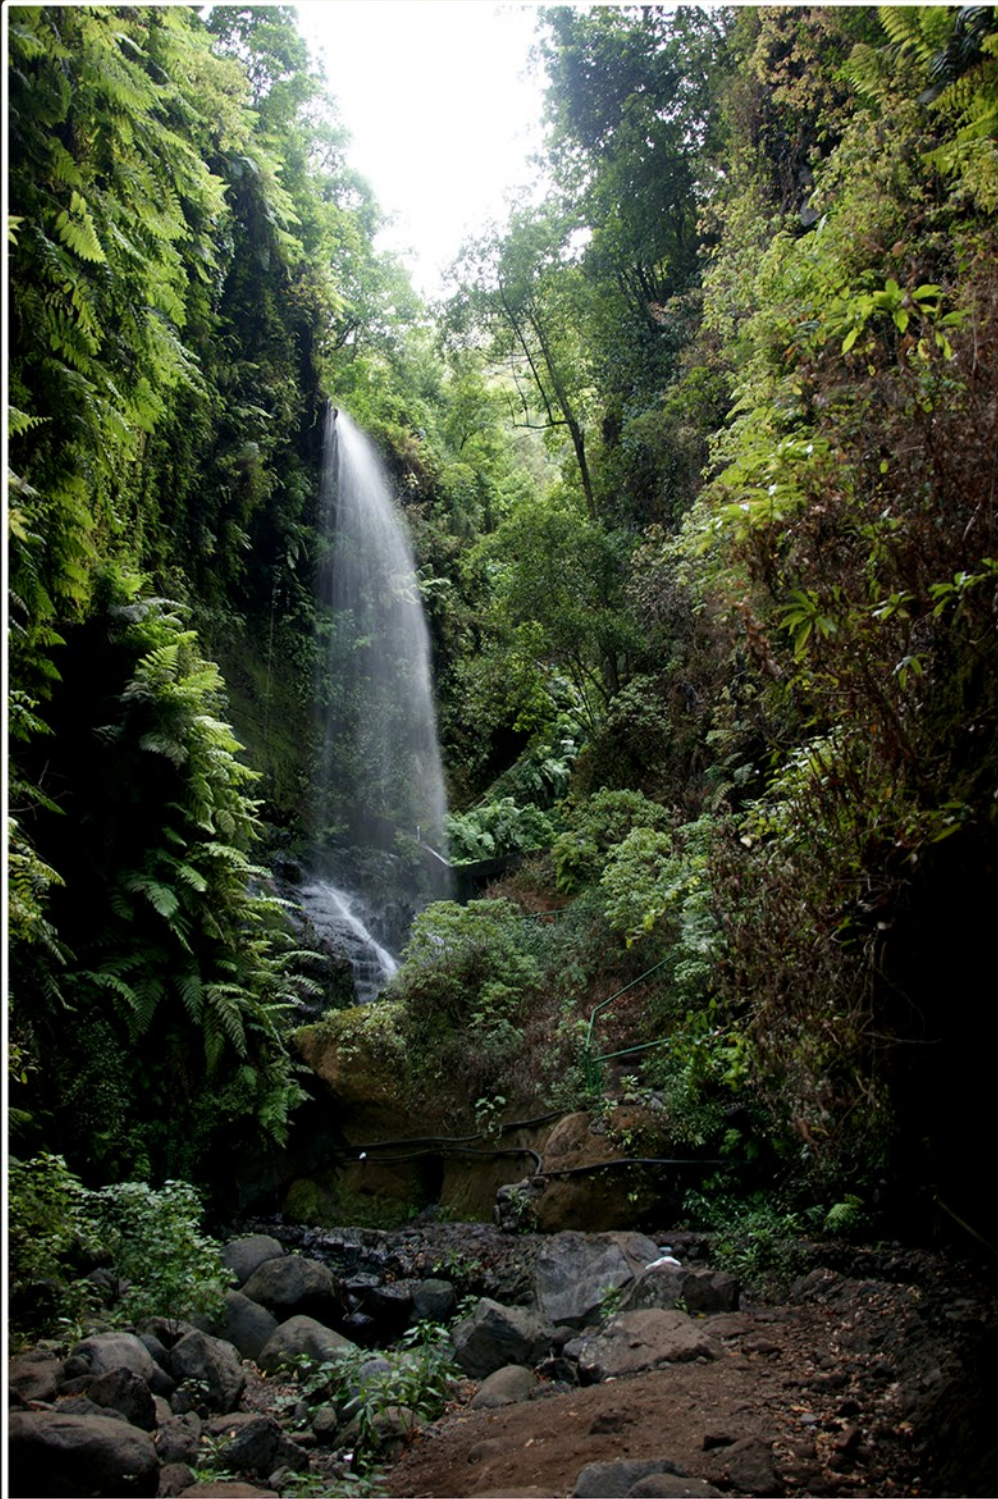

La Palma also has a large catalog of professionals and companies which favor the development of optimal work teams with sufficient experience and expertise to develop the potential demands of a very high level shooting.

In addition, the services provided for free by La Palma Film Commission in terms of advising and supporting to productions, will help to facilitate any commercial you want to shoot in the island.

"La Palma is the ideal scenery for filming different stories, documentaries, television programs and commercials. For this reason we consider it essential to promote our island at the most important audiovisual markets. We also provide free advice and information in terms of locations and filming permits and we promote the development of audiovisual activities in our territory"
